Sir,

In enclosing herewith copy of the Resolution of the Municipal Council dated 5-10-1948 I have the honour to state that there are two dispensaries maintained by the Municipal Council, one Ayurvedic Dispensary at Basavanahalli and another Unani Dispensary in the Town The Vaidit and the Hakeem are paid 20/- per month towards the Medicine Charges Vide - Government Order No L 3570-2 Med dated 18-10-1944 149 H3 43-18
Both of them have asked for the enhancement of medicine charges as the cost of ingredients required for the manufacture of medicines have abnormally increased As stated by both they have been spending nearly about Rs 50/- to 60/- every month towards the medicine charges and the number of patients treated is being increased year by year which now works about 22,000 to 26,000 persons in each dispensary

The matter was brought before the Council and the Council feel that sum of atleast Rs 40/- is required for purchase of ingredients for preparation of medicines and have sanctioned for the payment of Rs 40/- each as against Rs 20/- sanctioned in the Government Order referred to above

As such, I request you Sir, to kindly accord - sanction of Government for the payment of Rs 40/- towards the medicine charges for the Hakim and the Vaidit as resolved by the Council The increased rate of medicine charges will

will be paid from the date of Government Order

Yours faithfully,

G O No L 2845 66—L B 74 40 6 dated 9th September 1942

Ayurvedic Pandits and Unani Hakims

Passes order *re* the standardisation of the scales of pay etc of —— in the State

---

ORDER No I 2845 66—L B 74 40 6 DATED BANGALORE THE 9TH SEPTEMBER 1942

The question of standardising the scales of pay of the Ayurvedic Pandits and Unani Hakims has been under the consideration of Government for some time past Ayurvedic and Unani Dispensaries in the State are being maintained on a grant in aid basis by the District Boards and Municipalities Under this arrangement the emoluments paid to this class of medical practitioners are neither encouraging nor uniform Though there is a great demand in the rural parts for this kind of medical aid yet the local bodies on account of their slender resources, are not in a position either to increase the number of these institutions or to place the working of the existing ones on a sound basis It has therefore been found necessary that the existing arrangement should be suitably revised so that the development of these systems of medicine in the State may proceed on definite lines

2 The subject was also considered by the Standing Committee for Local Self Government and the Departments of Medicine and Public Health on 11th April 1942 and it was decided that the scales of pay etc of the duly qualified Pandits and Hakims might be standardised as follows

(*a*) Pay Rs 30 per mensem
(*b*) Cost of Medicines Rs 12 per mensem
(*c*) Peon Rs 8 per mensem

In order to improve the efficiency and usefulness of these institutions Government consider it necessary to revise the scale of expenditure thereof and are accordingly pleased to accept the recommendation of the Standing Committee for Local Self Government and the Departments of Medicine and Public Health with the modification that the scale of pay of the Pandits and Hakims be fixed at Rs 30—1—40 per mensem so as to attract the right type of men with proper qualifications

3 In view of the financial inability of the District Boards to meet the entire expenditure of the institutions under their control on the basis of the revised scale Government are pleased to direct that a contribution not exceeding a moiety of the cost entailed by the adoption of the above revised scales of expenditure be paid to the District Boards The Presidents of District Board in the State are requested to revise the scales of expenditure of the existing institutions under their control on the above basis and make necessary provision in their budgets to meet their liability in this behalf commencing from the current year The services of the existing men who hold no diploma but who are in charge of these dispensaries may be retained but opportunities may be taken to replace them gradually by duly qualified men They may however be continued on the same grant in aid basis as at present the revised scales being allowed in respect of only duly qualified men

4 Government desire further to impress upon the District Boards the necessity and desirability of opening a larger number of institutions of the kind particularly in rural areas with a view not only to encourage the indigenous systems of medicine but also to bring medical relief within the easy reach of the rural population

No L 2815 66—L B 74 40 6 DATED 9TH SEPTEMBER 1942

5 To this end in view a three year programme for starting Ayurvedic and Unani Dispensaries in the rural parts may be prepared and submitted to Government Generally places which are beyond a distance of five miles from any medical institution and where the people come forward to provide quarters for Pandits or the Hakims and for locating the dispensaries should be preferred

6 A sum of Rs 4 000 will be placed at the disposal of the President of each District Board for 1942 43 to meet the contribution of the Government towards the cost of the institutions to be revised and started This amount will be met out of Rs 50 000 provided in the State Budget for 1942 43 for the encouragement of Ayurvedic and Unani Systems of Medicine in the State The amount should be utilised before the close of the official year and any amount remaining unspent will lapse to Government The Comptroller to Government is requested to issue necessary further instructions for the drawing and accounting of these amounts

7 The Deputy Commissioners of Districts are requested to forward consolidated proposals for the revision of the scales of expenditure of the existing Ayurvedic and Unani Dispensaries under the control of the Town and Minor Municipalities so that duly qualified men in charge of the institutions may be placed on the same level as those employed by the District Boards

8 The allied questions such as the further improvement of the prospects of Pandits and Hakims provision for their registration control and supervision etc have been referred to the Committee appointed in Government Order No I 1786 1821—L B 59 42 2 dated 10th August 1942 and their recommendations are awaited

Government Order No L.2845-66/L B 74-40-6 dated the 9th September 1942 sanctioning the following scales of pay etc to the duly qualified Ayurvedic Pandits and the Unani Hakims working under the District Boards in the State with a direction that the cost thereof be met by the Government and the District Boards in equal proportions on :-

1. A pay of Rs 30-1-40 each per mensem
2 Cost of medicines Rs 12 per mensem
3 Peon on Rs 8/- per mensem

2. Un-official Note No.I M 84 dated 31st August 1948 from the Chairman, Committee of Indigenous Systems of medicine, Bangalore - explaining the necessity for sanctioning the revised scales of pay to the qualified Ayurvedic Pandits and Unani Hakims employed by the District Boards

O R D E R NO LB 10721-42/ LB-59-48-2

Dated, Bangalore, the 8th/10th June 1949

The necessity for revising the above scales of pay of the Pandits and Hakims referred to above has been repeatedly urged on the attention of Government for some time past

2 At the meeting of the Presidents of District Boards held on 10th November 1946 with Sri D H Chandrasekharaiya, B A., LL B , Minister for Education and the then Chairman of the Committee of the Indigenous Systems of Medicine, in the Chair, the following resolutions were passed, with a view to improve the prospects of the Ayurvedic Pandits and Unani Hakims:-

" That, in supersession of the existing scales of pay etc , of the duly qualified Vaidyas and Hakims, as approved by the Government in their order No L.2845-66/L B 74-40-6 dated the 9th September 1942, the following new scales be introduced:-

1 Pay of Vaidyas and Hakims (Sub Assistant Surgeon's scale) Rs 40/- per mensem in the first year
2x Rs 50-5-100 from the second and subsequent years;
2 Medical allowance Rs 20/- per mensem
3 Attendant Rs 12/- per mensem

II " That, on the analogy of the principle adopted for the Local

Fund Dispensaries (Allopathic), the pay of the Vaidyas and Hakims, under the proposed new scales be met entirely by the Government and the other recurring charges amounting to Rs.35/- by the District Boards".

These Vaidyas and Hakims are the holders of the L A M.S., and L L.M S. Diplomas of Ayurvedic and Unani College at Mysore or some other similar recognised Colleges. They have undergone courses of study in several medical subjects for four years in the Ayurvedic and Unani College as in the case of L M Ps of the Medical School and they have to work in the Rural areas and the life in the villages will have to be made sufficiently attractive to them.

Having regard to the above circumstances Government consider that it is necessary to revise their present scales of pay and are therefore pleased to sanction the following revised scales of pay to the duly qualified Ayurvedic Pandits and Unani Hakims working under the District Boards, with effect from 1st January 1947.

a	Pay	Rs 50-5-100 per mensem
b	Dearness	Rs 15/-
c.	Medicinal Allowance	Rs 20/- per mensem
d.	Peon	Rs 14-½-16 Plus D A.

The extra cost involved in this behalf will be met by the Government and the District Boards in equal proportions.
